

Desire to Excel

Is responsible for more of the world's progress than any other prompting motive. It has induced England to create the Shamrock and America to build the Columbia, and one of the two (who can say which?) is surely a better boat than the world ever knew.

DESIRE TO EXCEL

also influences the doings of this store. We want to sell better goods for the same money or the same goods for less money, because we consider it our special mission—a duty to our patrons—to do so.
